Attn: Dr. Wojciech Rudowicz, D.D.S.

Dear Mr. Rudowicz,

Telecom Ottawa is seeking permission to access the building known as 311 O'Connor St., Ottawa, ON for the purpose of providing our Telecommunications services to building tenants, at their request.

By this letter, we are looking for confirmation that the landlord or its representative authorizes Telecom Ottawa prompt access to the building in the event that an order is received. Our goal is to deliver our services within fifteen (15) business days from the date an order is received. This is the normal delivery interval requested by end users of telecommunications services.

Please note that Telecom Ottawa shall install the communications equipment in accordance to the drawings prepared and submitted to property management for approval.

Any and all costs related to our installation and operations of our telecommunications facilities are covered solely by Telecom Ottawa. Upon completion of the installation Telecom Ottawa shall provide property management with "as built" drawings.

Please review this request for confirmation and approve by signing below.
