2. Licensor grants Telecom Ottawa the non-exclusive licence to install, maintain, operate, relocate and remove its telecommunications facilities and equipment (the "Telecommunications Facilities") as may be required from time to time in order to provide telecommunications services and facilities to tenants or occupants on the Property. Telecom Ottawa, its personnel and contractors shall be entitled to enter the Property for such purposes, subject to and in accordance with the Licensor's standard rules and regulations governing such access. The Telecommunications Facilities shall be installed materially in accordance with drawings prepared by Telecom Ottawa and submitted to the Licensor for approval prior to installation, provided that such approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, Telecom Ottawa's liability as

the result of any single event or occurrence (or series of related events or occurrences) shall be limited to five hundred thousand dollars (\$500,000.00) except in the case of personal injury or death, or in the case of damages sustained as the result of deliberate fault by Telecom Ottawa, its personnel or contractors.

6. The term of this Agreement, and the rights granted herein, shall be effective immediately, and shall continue for a period of five (5) years from the date hereof. The term of this Agreement shall automatically renew for subsequent five (5) year periods unless either party delivers written notice to the other party at least sixty (60) days prior to the termination of the initial term or then current renewal term, as the case may be. The term of this Agreement may be terminated earlier by either party providing sixty (60) days written notice to the other party if Telecom Ottawa no longer provides telecommunications services or facilities to any tenants or other occupants of the Property.

7. This Agreement and the rights hereunder may not be transferred or assigned by Telecom Ottawa without the prior written consent of Licensor, provided that Telecom Ottawa may assign this Agreement and the rights hereunder without obtaining such consent to a corporate affiliate, as security to Telecom Ottawa's lenders, or to any person that acquires Telecom Ottawa's interest in the Telecommunications Facilities.

8. This Agreement shall enure to the benefit of, and be binding upon, the parties and their respective successors and permitted assigns.

IN WITNESS WHEREOF the parties have signed this Agreement.
